

18th JUNE, SATURDAY

Each speaker will have a 10 min talk + 5 min Q&A

8:30 Meeting registration

8:50 Welcome: Hind Medyouf and Manuel Valiente

9:00 Amy Beedle (Roca-Cusachs lab)

Fibrillar adhesions provide mechanical memory to the nucleus through the vimentin cytoskeleton

9:15 Vita Bryia

CK1 kinases: Regulators of multiple oncogenic processes and promising therapeutic targets

9:30 Manuel Valiente

Strategies to challenge brain metastasis lethality in mice and human

9:45 Zuzana Keckesova

Identification of novel tumor suppressive pathways

10:00 Coffee break

10:30 Alexander Schäffer (Medyouf lab)

Bone marrow niche dynamics and metastatic dormancy

10:45 Karolina Szczepanowska

OXPHOS dynamics and quality control in cancer

11:00 Bruno Costa-Silva

Post-secretion interactions of extracellular vesicles and their role in cancer biology

11:15 Guadalupe Sabio

Stress kinases in liver cancer development

11:30 Coffee break

12:00 Sevval Nur Bilgic (Kir Lab)

Signaling mechanisms mediating skeletal muscle atrophy linked to cancer cachexia

12:15 Camille Bleriot (Ginhoux Lab)

Investigating the heterogeneity of tumor-associated macrophages

12:30 Light lunch and transport to activity

13:30 Rafting (Bus pickup, 13:30; Rafting, 15:00)

18:00 Networking (Terrace Hotel ANETO)

20:30 Dinner

Restaurant: Hotel Ciria

19th JUNE, SUNDAY

Each speaker will have a 10 min talk + 5 min Q&A

9:00 Hind Medyouf

TAMing immune suppression to enable effective brain metastasis control

9:15 Sarah-Maria Fendt

Metabolic rewiring in metastasis formation

9:30 Roger Geiger

T cell responses to tumors

9:45 Uri Ben-David

Cracking cancer aneuploidy: intro to the Ben-David lab

10:00am Coffee break

10:30 Pere Roca-Cusachs Soulere

The laminin-keratin link shields the nucleus from mechanical deformation and signalling

10:45 Alejo Efevan

Nutrient and Growth-factor signaling as a postnatal Global Positioning System for the mammalian hepatocyte

11:00 Serkan Kir

Oncostatin M signaling in/cancer-associated muscle wasting

11:15 am Coffee break and group picture

12:00 Closing remarks

12:30 Light lunch and bus to Barcelona

17:30 Expected arrival at El Prat
