OLD WAY FROM BENÀS (BENASQUE) TO SARLLÉ (CERLER)

1 hour 30 minutes

Take the track from the road to *Los Baños*, which is on the right of the road 50 m. before the Red Cross post. You will pass near the graveyard. Circumvent a knoll and the Old Benasque Castle that is on its right. Go up some small rocky edges and, after that, follow the old track that goes up to *Cerler*. After 25 min. cross the road to keep on ascending by the track. After approximately 7 more minutes take the road to the left and leave it again after 100 m. when you see another track on your right. After another 8 minutes take the main road again and follow it till you get to the town.
